OPM Monthly Project Update Report

January 2024

FS	SD DD	CD	BIDDING	CONSTRUCTION	CLOSEOUT	SITE	
----	-------	----	---------	--------------	----------	------	--

During the month of December, January, draft estimates were reconciled and final estimates were received kicking off a thorough cost discussion was started with the School Building Committee.

In January, the SBC decided that they would like additional time to consider the many options under consideration and elected to push the PSR submission date to the MSBA deadline on February 29th. This in turn pushed out the Schematic Design Report submission date to August 29th in time for the MSBA's October Board of Directors Meeting. This will still allow ample time between MSBA approval and the District-wide ballot vote to approve the project which is tentatively scheduled for January 25, 2025.

There are three SBC meetings scheduled for the month of February to help the SBC weigh all considerations on all of the options and they are set to select a preferred option on February 22, 2024.

The project is currently on target to hit the following updated milestone dates:

- 10/27/23 Preliminary Design Program (PDP) Submission due to MSBA for staff review SUBMITTED
- 2/29/24 Preferred Schematic Report (PSR) due to MSBA
- 4/24/24 MSBA Board of Directors Meeting to approve PSR
- 8/29/24 Schematic Design (SD) Report to be submitted to MSBA
- 10/30/24 MSBA Board of Directors Meeting for Project Scope & Budget
- District Vote: January 2025

XXII. COMMUNITY OUTREACH

The South Shore Tech project website has been pushed out to the SBC and community. The website will be used throughout the project to keep the community up to date with the latest information. Approved meeting minutes, agendas, monthly reports, MSBA submissions, presentation materials, and more will be posted to the website.

There are a series of Community Forums scheduled for the next few months. Each Forum is to be held in a different sending community to ensure that the team is getting the word out about the project and meeting the community where they are. Most meetings and public forums are recorded and posted to the project website as well.

Superintendent Hickey has also been presenting project updates in each community as well as making himself available for informational one on one zoom or in person meetings to parents and the general public. Sending community official standing boards and committees have been invited to participate in SBC meetings either in person or remotely.
